

## Surviving) Your Computer as Predator - Rough Cut / Preview Copy: Healing Injury and Pain Caused by Your Computer (Paperback)

By Ian Chong Cpe

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A deadly, ethereal predator hides inside your computer devices gnawing at your flesh causing insidious computer related injuries, known as carpal tunnel syndrome, tendinitis, inflammation or aches and pains, among others. This unseen being can destroy your health and ability to work, leaving you in unfathomable pain. From a lifetime of fixing these injuries and taking away worker s pain, the author, a Certified Professional Ergonomist has identified this unseen, untouchable, spectral being causing this debilitating pain and injury. You are about to meet and identify it. Make no mistake the damage to your body is real. The pain is real. (Surviving) Your Computer as Predator shows you how to successfully identify, avoid, heal and cure these pains and injuries (fighting this evil being) with knowledge, methods and specific computer input hardware and devices. Real life descriptions of how pain is generated by breakneck computer usage show the root cause of all your discomfort. Real life solutions gleaned from professional experiences also show proper applications, successfully addressing and reducing computer injuries. You will have means to defeat this evil being. This...
