Cengage Learning, Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Do-it-yourself wedding photography and videography is not only a great way to save money, it s also a fresh way to capture your special occasion from start to finish with a uniquely personal creative vision. Written to help the bride, groom, and their DIY documentarian navigate the world of wedding photography and videography, *DIY WEDDING PHOTO AND VIDEO: PROFESSIONAL TECHNIQUES FOR THE AMATEUR DOCUMENTARIAN* is your step-by-step guide to shooting, editing, and delivering a finished photo/video wedding package on a DIY budget and with exceptional results. Working with a DIY documentarian--a friend with photo and/or video skills and equipment--provides many advantages for the wedding couple: * DIY delivers a customized end result--one that s not locked into the package deals and old working habits of wedding-industry pros. * Going DIY means you re working with a friend, making for a more relaxed, low-key working relationship on the big day. * The DIY documentarian can capture more interesting and personal photos and footage, spanning a longer period of time, than the typical hired photographer. Whether you re the bride, the groom, or the documentarian, *DIY Wedding Photo and Video* will help you through the many large and small details of wedding photography and videography, from planning through post production, including specifics like building a shot list and coming to agreement on costs, equipment, and expectations. Also included are many wedding-tested tips for DIYers. Specific DIY Idea sections in each chapter offer creative ideas for techniques and shots that will give your wedding photos and video that special, personal touch.
