Investment Recovery Handbook: Adding Value to the Supply Chain (Paperback)

By Investment Recovery Association

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book unlocks the secrets of the supply chain s missing link.professional surplus asset management. -Kristina Waters, Cox Communications An essential desktop reference to help identify and dispose of surplus assets in the most efficient and profitable manner. -Kris Eigenbrood, Campbell Soup Company Every corporate entity has surplus assets. This book provides a clear means for those responsible for disposing of those assets to appropriately value and market those no-longer-needed items in the most cost-effective and profitable manner. From computers and mobile phones to processing equipment and entire manufacturing facilities, learn the best practices for professional (and profitable!) surplus asset management. Investment Recovery has been the missing link in the Supply Chain, so this handbook answers the many questions that supply chain purchasing management must solve. An essential review of the challenges-and solutions-to surplus asset management. -Todd Thompson, Colorado Springs Utilities In the complexity of our increasingly green society, we must try to ensure that we are not only returning value to our bottom line, but also the world we live in. -Marty Owens, Dow Chemical Company An informative...

Reviews

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
-- Prof. Vanessa Smitham V

The best pdf i ever study. We have go through and so i am confident that i will gonna study again once again down the road. You are going to like the way the blogger compose this pdf.
