In the history of Anne Perrys bestselling Victorian mystery series, the stakes have never been greater than now as a mission for queen and country places the future of the British Empire squarely in Thomas Pitts hands. It is not the custom for the commander of Special Branch to receive a royal summons so Thomas Pitt knows it must be for a matter of the gravest importance. Aided by his wife, Charlotte, and her social contacts, Pitt seeks out the hidden motives behind the polite faade of those to the manner born and uncovers a threat to the throne that could topple the monarchy. With Murder on the Serpentine, Thomas Pitt nears a crossroads in his brilliant career one that promises new challenges, both professional and personal, still to be met. But first, he and Charlotte must conquer the twists and turns of suspense master Anne Perrys most cunningly crafted plot yet to achieve their finest hour, or suffer their darkest.
