

## How to Like Someone with Autism (Paperback)

By Travis Breeding

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this book Travis explains how his brain works like an on and off switch. He shares how that causes him to either be all in a friendship or not in at all. The problem is when he goes all in it is too soon and it scares people away. This is particularly common in dating relationships as Travis has struggled with coming on too strong and scaring women away. This makes Travis feel bad and confused. Travis shares how he works very hard on social skills and learning unwritten social boundaries and rules so that he does not scare women and other people away. Travis becomes very fixated on people and sometimes the person turns into a special interest. We are familiar with children with autism having a special interest like that of Thomas the Train or something like that. What we are not familiar with is when adults form a special interest in another person that they can obsess over. Obsessions and fixations can create many problems for someone on the autism spectrum. It takes intense behavior therapy...
