This is a novel about the temptations of sensuality, but it also narrates the intimate feelings, the yearning and quest for love of a young woman. Whoever enjoyed 50 Shades of Grey, Scandalous or the This Man trilogy might fall in love with the erotic tension in this book as well. Due to sexual content and the subject matter, this book is intended for ages 18. It is a tale about a man and a woman who try to find their role in life sharing some common denominators: sensuality paired with the desire to succeed. Only a few know that when men and women alike feel being physically attracted to her, it is recognition, self-affirmation and testimonial for her as a woman. Sex fulfills her needs and becomes her language of communication perhaps a substitute for normal communication that she has not mastered yet. Her desire for comfort and closeness remains often unanswered, thus she must pay a high price for the path she has chosen. Despite several relationships before her marriage, the young student Juliane is still a novice in matters of love. One day she stumbles into an affair with her husband's best friend...
