

The Tamer Tamed; or, the Woman s Prize (Paperback)

Filesize: 2.98 MB

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. This is the first edition for students and general readers of this pro-woman reply to Shakespeare s *The Taming of the Shrew* by a playwright (John Fletcher) who was more admired than Shakespeare in the seventeenth century. Co-edited by a feminist critic and a distinguished textual scholar, this new textbook makes clear why *The Tamer Tamed* should be restored to the theatrical repertoire and the literary canon. It includes the fullest commentary ever provided for the play, explaining for modern students Fletcher s verbal exuberance and his uninhibited sexual language. The full critical introduction describes the play s Renaissance context, its historical and literary sources (including Aristophanes s *Lysistrata*), and its subversive relationship to Shakespeare s *Shrew* and Ben Jonson s *The Silent Woman* . It also surveys the play s subsequent theatrical and critical history. A unique and essential companion to the numerous textbook editions of Shakespeare s play, *The Tamer Tamed* provides exciting new material for current debates about the history of gender, marriage, and drama. -- .
