Reviews

This is an awesome publication which i have actually read. This is certainly for all who statte that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.

HarperCollins Publishers, United Kingdom, 2014. Hardback. Condition: New. UK ed.. Language: English . Brand New Book. I will consider doing the campaign - seriously consider it - if you sleep with me. When Ross Bennett has the not-so-enjoyable pleasure of hearing those words come out of his mouth, he realises he must have left his pants in charge. Because the woman sitting opposite him might be seriously gorgeous, but this is serious business - not some sleazy backroom deal! Until Ally floors him by agreeing to his terms. Ally Jones might find Ross utterly irresistible, but that can wait: she has a thing or two to teach him first! Her first lesson? Everything comes to those who wait.
