Product Description: Solaris VII is known as the Game World -- where entertainment is king, money is power, and MechWarriors from every corner of the Inner Sphere come to make war against one another in the ultimate sporting event. Michael Searcy arrived on Solaris VII as a dishonored MechWarrior, and worked his way up in the rankings to become a valued commodity in the games. He knows all the moves, plays all the angles, and can put on a show as well as he fights. But now, the ancient grudges pitting warriors against each other have spilled out of the arena -- and are moving through the streets in an all-out war. And Michael is caught in a championship match where the winner is the last man left alive.
