

Stranger Moon (Paperback)

By Heather Zydek

Moth Wing Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When 12-year-old Gaia finds a pale green Luna moth wing pressed between the pages of an old insect guide in her basement, she becomes obsessed with giant silk moths. Gaia is just like the insects she adores - she is shooed away by her workaholic father and crushed by bullies at school. She finds comfort in nature and makes it her goal to track down the mysterious night creature in the fleeting one-week window of the adult Luna's life. But the night Gaia and her neighborhood friends go on a moth hunt, they stumble upon something much stranger hiding in the woods: a bug-eating, ghastly-looking wildwoman living in an abandoned ice cream truck. In Stranger Moon, Gaia and her friends spend their summer vacation spying on the strange woman while warding off attacks from two bullies nick-named The Emmas and searching for a glimpse of a Luna moth. When Gaia discovers the seeming madwoman's true identity and finds herself armed with information that can ruin her worst enemy, she and her friends must decide whether or not to seek...

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).
