GAO also found that: (1) DOD concurred or partially concurred with all of the GAO recommendations; (2) the Chief Financial Officers Act of 1990 requires the Air Force to prepare and submit to the Office of Management and Budget by March 31, 1993, consolidated financial statements for fiscal year 1992 and the DOD Inspector General or an independent external auditor to issue an audit report on those statements by June 30, 1993; (3) DOD established a single organization for all finance and accounting activities; and (4) DOD initiated a comprehensive, long-term effort to streamline its administrative operations.
