

Business Survival for Project Management (Paperback)

By Claudia J Pannell

Vision Tree, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to offer tips and techniques for those professionals attempting their Project Management Professional (PMP) certifications. Although there are no guarantees (written or implied) that following these recommendations will lead to passing the PMP Exam, the information in this book will provide a foundation for better understanding of the principles and strategies necessary to succeed as a Project Manager. The book begins with a discussion of the fundamentals of the knowledge areas and process groups that make up the project management environment. From there we examine several tips and techniques for organizing information for exam recall or in successfully completing projects. Finally, the Business Survival for Project Management game is included to reinforce the learning and execution of Project Management.
