Paizo Publishing, LLC, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. In the 1930s, a very unusual tale appeared in the influential *Amazing Stories* magazine. Unlike the usual yarns of robots and interstellar travel, this *Battle in the Dawn* featured the brutal exploits of Hok, the first hero of humanity, in his struggles against the savage Neanderthals. Written by rising pulpster Manly Wade Wellman (*Who Fears the Devil?*), who would later achieve fame for his American folktales of Silver John and beat out William Faulkner for a prestigious writing award, the story and its brave hero struck a chord with *Amazing*'s readers, and several additional adventures followed, taking Hok through the prehistory of mankind to battle unrelenting cavemen, explore the lost city of Atlantis, discover new technology, and chart a new destiny for humanity. Now, for the first time ever, Planet Stories presents a complete authorized collection of all of Wellman's rare Hok the Mighty tales, packed with unfinished story fragments, all-new illustrations, and a brand-new introduction by Wellman's longtime friend, fantasy author David Drake.
