Theory Practice in Clinical Social Work (Hardback)

By Jerrold R. Brandell

SAGE Publications Inc, United States, 2010. Hardback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Today s clinical social workers face a spectrum of social issues and problems of a scope and severity hardly imagined just a few years ago and an ever-widening domain of responsibility to overcome them. Theory and Practice in Clinical Social Work is the authoritative handbook for social work clinicians and graduate social work students, that keeps pace with rapid social changes and presents carefully devised methods, models, and techniques for responding to the needs of an increasingly diverse clientele. Following an overview of the principal frameworks for clinical practice, including systems theory, behavioral and cognitive theories, psychoanalytic theory, and neurobiological theory, the book goes on to present the major social crises, problems, and new populations the social work clinician confronts each day. Theory and Practice in Clinical Social Work includes 29 original chapters, many with carefully crafted and detailed clinical illustrations, by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations. Collectively, these leading authors have treated nearly every conceivable clinical population, in virtually every practice context, using a full array of treatment approaches...

Reviews

Extensive manual! Its this kind of very good read through. I actually have read and that i am confident that i am going to planning to study once again once more in the future. I am easily could possibly get a delight of looking at a composed publication.

-- **Ryder Purdy**

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
