Page headers and proper placement of footnotes exemplify the attention to detail given this volume. The Prairie, published in 1827, was the third of James Fenimore Cooper s five novels comprising the Leatherstocking Tales saga, although the time period in which the story is set makes it the fifth and last chronologically. Set in 1804, the tale follows the adventures of Natty Bumppo, over 80 years of age and ranging the plains, having departed his home along the now-vanished New York frontier in search of open country. Called the trapper or the old man and never referred to by name, numerous references to the previous two novels, as well as the...
