THE ADVENTURES OF CAMMY LAMBIE IN THE PLACE OF THE BIG BLUE SKY (PAPERBACK)

Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this short story, you will see the tender heart of love and careful words of instruction of Mother. The law of kindness is on Mother s tongue. She demonstrates watchful protection over Cammy and Sammy as she daily is in their presence. Parents can easily relate the mother s heart, akin to the heart of Jesus as He is to His children. A wonderful and useful book. Had I had this book when my children were small, I certainly would have made use of it. I highly recommend this for all ages! Patti Roberts- married homeschooling mother of seven with growing number of grandbabies. Mara-lee has given us a tremendous gift. Christians throughout history have systematically taught the faith to their children. This practice of systematic training in a catechism has become largely neglected by the Church in the last generation. Mara-lee s hope is to bridge the gap between the old ways of training our kids up in solid doctrine, allowing them to wrestle with the deep things of God, and modern children s story telling. I hope many find her work to be a blessing to the spiritual life of their children and a warm treasure in their home during the intimate times as the family gathers. Pastor Jeff Durbin- married father of four, sought after for his debate skills and also the main host of Mara-lee has peeked into a child s inquiring mind and has given solid answers to questions about how to hear and respond to God s voice. Children will love the way Cammy s Adventures introduces them to new experiences in their lives. This delightful book will be a great tool for opening up discussions...
