WELCOME TO THE FORSYTHE CANCER CARE CENTER (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As the founder and co-owner of Forsythe Cancer Care Center with my wife, Earlene, I developed this unique, easy-to-read, and informative publication loaded with vital information for our many patients from around the world. Unlike most conventional doctors and standard cancer treatment centers that lack my evidence-based strategies, I am proud to reveal the specific reasons for my unique, natural treatment process and proven methods of attacking this disease. In this quick-read guide, I address many of the most common questions from patients. These include: reasons for this clinic's vastly superior survival rate; how and why chemosensitivity testing works wonders; how mainstream oncologists destroy the body; the vital steps that every cancer patient should take; how my natural remedies target specific cancers; and a Bill of Rights for patients, plus numerous other vital topics. In summary, you should consider this booklet as our world-famous clinic's essential and humble greeting particularly as you enter a distinctive health care journey here, a one-of-a-kind process that only a small percentage of the world's many cancer patients ever get an opportunity to take. James W. Forsythe, M.D., H.M.D.
