KATHERINE TEGEN BOOKS, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Fans of Maggie Stiefvater and the hit television show True Blood will flock to this first book in the supernatural mystery series set in a town where werewolves live in plain sight. Mackenzie Dobson s life has been turned upside down since she vowed to hunt her best friend Amy s killer: a white werewolf. Lupine syndrome--also known as the werewolf virus--is on the rise across the country, and bloodlust is not easy to control. But it soon becomes clear that dangerous secrets are lurking in the shadows of Hemlock, Mac s hometown--and she is thrown into a maelstrom of violence and betrayal that puts her in grave danger. Kathleen Peacock s thrilling debut novel provides readers with a mystery that Kimberly Derting, author of The Body Finder, calls clever and frightening, while Sophie Jordan, New York Times bestselling author of Firelight, raves: Forget every werewolf book you ve ever read. This one breaks the mold.
