7000 BABY NAMES: CLASSIC AND MODERN

W Foulsham & Co Ltd. Paperback. Book Condition: new. BRAND NEW, 7000 Baby Names: Classic and Modern, Hilary Spence, A name is for life! It may be sad, but it is certainly true that you don't meet too many high-flying, successful guys called Wayne or Elvis. What you hope for your baby to become, is as much a consideration as the names you like. The decisions you make will create an image or style that your baby will have to grow up with - and grow into. You owe it to this experience to consider a wide choice of names. You should browse and extract names from this book. The issues are many. From trendy to traditional, and from the popular to the sophisticated. You have to strike the balance that you feel is right for your baby. I have been studying names for many years and I have come to believe that names choose themselves - if you will allow. Mum knows her infant well, through the subliminal relationship she has built carrying her child. Intuitively she will understand whether her baby is a Nigel or a Tom, a Claire or a Holly. This book introduces you to the many ways to name your baby with style and suitability. Meaningful names, musical names, mystical names. Enjoy the sounds and meanings of these richly varied names. Note their exotic backgrounds and consider the numerous variations we provide on so many of them.
