Twelve multi-cultural Liturgy rites of the Fellowship of Isis, written by the FOI co-founder, Olivia Robertson. From the introduction: The rites in this book are dedicated to the Goddess of Fate, Fortuna. They involve a 3-fold woven plait derived from alchemy, myth, and astrology. Each begins with an Oracle that presents the theme. A candidate who is represented in each rite declares the magical intention. A succession of cards from the Tarot have to be interpreted during the 12 rites, to give the candidate a symbolic key. Having interpreted the Tarot symbolism, the candidate is offered a mystery drama, drawn from world mythology. The third strand involves a series of magical journeys through the 12 zodiacal houses. The incomprehensible magnificence of the stars offers infinite possibilities for our own gift of creation. Time and place become fluid, material for the cosmic artist, cocreating with the Deities.
