Seven Stories Press,U.S., United States, 2008. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Hidden History is a benchmark in 9/11 research; a serious reference volume that does not peddle vacuous theory, but instead offers up facts to be considered, and places 9/11 within a historical and social context that differs radically from the Official Story. -- Guerilla News Network How much insider trading occurred in the days leading up to 9/11? How compromised is the evidence against alleged hijackers because of serious authentication problems with a key Dulles Airport videotape? To what extent does the testimony of more than five hundred firefighters differ from official reports of what happened at the World Trade Center buildings that day? How inseparably connected are Western covert operations to al-Qaeda? How is Islamophobia used to sustain US imperialism?With contributions from Mark Crispin Miller, Nafeez Mosaddeq Ahmed, Four Arrows, David Ray Griffin, Jay Kolar, David MacGregor, Diana Ralph, Kevin Ryan, and Bryan Sacks, this path-breaking work examines the many theories that surfaced in the aftermath of 9/11, neither endorsing nor deriding, but rather showing how much remains unknown and where further investigation and debate is needed.Editor Paul Zarembka is a professor of economics at the State University of New York at Buffalo. Since 1977, he has been the general editor for Research in Political Economy, and has authored Toward a Theory of Economic Development, edited Frontiers in Econometrics, and co-edited Essays in Modern Capital Theory.
