Origins Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This gifted and talented test preparation book contains a full-length CogAT(R) Form 7 Grade One practice test, which provides gifted and talented CogAT test preparation for First Grade students. This Level 7 (Grade 1) test will prepare your child for the Cognitive Abilities Test (CogAT(R)), an exam used for admission to US gifted and talented programs, including in the San Diego Unified School District GATE program, Houston Vanguard schools, and Chicago programs for the education of the gifted. The questions in this CogAT practice test were created by educators who have prepared many children for gifted and talented tests. They cover all three of the test s sections (nine question types) so you can help your student improve the logical and visual reasoning skills required to excel on the CogAT test. By using this gifted workbook, your student can get used to the format and content of the CogAT(R) Grade 1 test so he or she is adequately prepared and feels confident on test day. This practice test contains all nine question types on the Level 7 CogAT, including: Verbal (Picture Analogies, Sentence Completion, Picture Classification) Quantitative (Number Analogies, Number Puzzles, Number Series) Figurative (Figure Matrices, Paper Folding, Figure Classification) We suggest you use the practice test as a diagnostic to identify your child s strengths and weaknesses, or as a mock exam to simulate real testing conditions. In the latter case, we recommend that you have your child take the test in timed conditions over the course of a few days, as per the instructions in the book. What s Inside this CogAT Test Prep Book? A full-length CogAT Form 7 Level 7 practice test, containing 136 practice questions. Access to bonus...
