It was mentally exhausting and emotionally draining. Until one day I simply decided that enough was enough. I couldn't spend the best part of my life working 9 to 5 at a desk for a cause that I did not even care for. It was then that I decided to return to my lifelong passion of writing. Ever since I made that decision, life has been sweeter and much more happier. My experience made me realize that there are so many people out there who are stuck in a similar situation. They want to leave their jobs to find and follow their true life passions but are unable to do so because of numerous reasons. Hence this book was written to help out all those people who need a little push and a little reassurance to break free from their mundane routines.
