## My Mother is an Astronaut (Paperback)

By Julie Fritz

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.About The Book The book, My Mother Is an Astronaut, was inspired by the unexpected opportunity I had to observe the children of astronauts as they waited for their parents to depart for the launch pad on launch day. It was very exciting for me because it was the first time I was able to watch a Space Shuttle launch from Kennedy Space Center, in Cape Canaveral, Florida. I observed the Space Shuttle crewmembers board the Astronaut Transport Vehicle through a second floor window in the hallway that connected the astronaut s living quarters to the general population of the building that I was working in. There were children sitting on the windowsill. I was told the children were watching their parents depart for the next Space Shuttle mission. It was the seriousness of their conversations and the excitement in their voices that inspired me to write this story. When the Space Shuttle returned to KSC. I was able to observe the children s reactions when they saw their parents emerge from the ATV. One of the little girls started jumping up and...
