Crime and Punishment, by Fyodor Dostoevsky, is part of the Barnes and Noble Classics series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of Barnes and Noble Classics: New introductions commissioned from today's top writers and scholars; Biographies of the authors; Chronologies of contemporary historical, biographical, and cultural events; Footnotes and endnotes; Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work; Comments by other famous authors; Study questions to challenge the reader's viewpoints and expectations; Bibliographies for further reading; Indices and Glossaries, when appropriate. All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. Barnes and Noble Classics pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works. In one of the most gripping crime stories of all time, Raskolnikov soon realizes the folly of his abstractions. Haunted by vivid hallucinations and the torments of his conscience, he seeks relief from his terror and moral isolation first from Sonia, the pious streetwalker who urges him to...
