## THE MARA CROSSING (HARDBACK)

DOWNLOAD

Vintage Publishing, United Kingdom, 2012. Hardback. Condition: New. Language: English . Brand New Book. Home is where you start from, but where is a swallow's real home? And what does native mean if the English oak is an immigrant from Spain? In ninety richly varied poems and illuminating prose interludes, Ruth Padel's original new book weaves science, myth, wild nature and human history to conjure a world created and sustained by migration. We're all from somewhere else, she begins, tracing the millennia-old journeys of cells, trees, birds and beasts. Geese battle raging winds over Mount Everest, lemurs skim precipices in Madagascar and wildebeest, at the climax of their epic trek from Tanzania, brave a river filled with the largest, hungriest crocodiles in Africa. Human migration has shaped civilisation but today is one of the greatest challenges the world faces. In a series of incisive portraits, Padel turns to the struggles of human displacement - the Flight into Egypt, John James Audubon emigrating to America (feeding migrant birds en route), migrant workers in Mumbai and refugees labouring over a drastically changing planet - to show how the purpose of migration, for both humans and animals, is survival. Poignant, thought-provoking and utterly compelling, here is a magnificent tapestry of life on the move from the acclaimed author of Darwin: A Life in Poems.
