Southern Illinois University Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. In this highly readable study of Abraham Lincoln's thoughts and actions concerning the U.S. Constitution, Brian R. Dirck combines extensive primary research and thoughtful, accessible consideration of Lincoln's views to reveal new insights into Lincoln's impact on the U.S. Constitution. In the statesman's roles as a leading antebellum politician, an ardent critic of slavery, and the president of the United States during the Civil War, Lincoln fashioned a strong antislavery constitutional ideology and articulated a constitutional vision of the Civil War that reinforced his determination to restore the Union. Grounding Lincoln's constitutionalism in his reading habits and early legal career, Dirck masterfully balances biographical details, Lincoln's value system, the opinions of his supporters and critics, and key events and ideas to show how his thinking about the U.S. Constitution changed over time. From Lincoln's deep reverence for the work of the Founding Fathers to his innovative interpretation of presidential war powers, Dirck reveals Lincoln's understanding of the Constitution to be progressive, emphasizing federal power as a tool to develop the economy, and pragmatic, in that he was often forced to make decisions on the fly during a remarkably volatile period in American history. Lincoln used his conception of presidential war powers to advance the twin causes of Union and emancipation, and Dirck explores the constitutional problems stirred by curbs Lincoln placed on civil liberties, internal security, and freedom of expression during wartime. More than a straightforward overview of Lincoln's constitutional views, *Lincoln and the Constitution* provides a starting point for further inquiry into interpretations and defenses as well as the political, intellectual, and cultural traditions of the founding document of the United States. In the...
