Only Cole, young irresponsible and unattached, has felt the talisman s heat. Is he the chosen one? Fire devastates the forest, taking the life of the wolf tribe leader and his mate. With the amulet holder dead, a new leader must be chosen. Cole is young, headstrong and enamoured of his carefree ways. He discovered the bodies, and he s the changeling who brings the amulet back to his pack. Zane has been a convenient sex partner for Cole, who continues to resist the ties of commitment. When the men come across another pack decimated by the fire, including a beautiful female unlike any they ve seen before, Cole discovers that there may be more to life than playing the field. With dissention among the pack and an unwilling Cole who might very well be the chosen amulet holder, will the wolfen tribe find its new leader? Or will confusion, mistrust and greed destroy them all? Stallion s Pride A recently discovered horse talisman and a gypsy horse changeling tribe seem like the perfect match. Is headstrong Brishen ready for the power the talisman brings? It s a stressful time for the familia of gypsy horse changelings. Shandor, King of the Gypsies, has died, leaving the clans at war and his son, Brishen, struggling with his new-found leadership. Brishen also struggles with something more personal - choosing a life mate. Will it be Tawnie, the female his father selected for him? Or handsome Jal, whose masculine features excite Brishen more than anything has before?...
