

The Brookfield Series Volume One (Paperback)

By Lacey Wolfe

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Finding Home Julie Miller has returned to her home in Brookfield, Wyoming after discovering she is pregnant. All she wants is her mother to comfort her after her boyfriend told her to either have an abortion or leave. The only problem is, when she gets to her mother s house, she doesn t find her mom-she finds a half-naked man cooking breakfast. Mark Thomas has moved to Brookfield to escape his past. He needs a fresh start to try and forget the things that haunt him, and Brookfield seems like the perfect place. As if it isn t bad enough that Julie doesn t find her mother, a blizzard buries the town, and she is snowed in with Mark. Leaving them no choice, they begin a friendship while trying to resist the attraction they feel for one another. Once the snow melts, Julie is free to leave. Will she choose to start a life in Brookfield or run back to New York? Meanwhile, Mark struggles to let go of his past and, if he does, is Julie his future? Bare Necessities After...

Reviews

Merely no words and phrases to spell out. It is actually written in basic words and phrases instead of difficult to understand. Your way of life span will probably be enhanced as soon as you complete reading this article ebook.

The best publication I actually study. I actually have studied and so I am confident that I am going to likely study once more yet again later on. You will not sense monotony at any moment of your respective time (that's what catalogs are for relating to if you ask me).
