The Sacred Year: Mapping the Soulscape of Spiritual Practice-- How Contemplating Apples, Living in a Cave and Befriending a Dying Woman Revived My Life

By Michael Yankoski

Thomas Nelson on Brilliance Audio, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. One searcher s honest and fascinating journey to encounter God, love others, and discover his true self through a year of spiritual practices. Frustrated and disillusioned with his life as a Christian motivational speaker, Michael Yankoski was determined to stop merely talking about living a life of faith and start experiencing it. The result was a year dedicated to engaging in spiritual practices, both ancient and modern, in a life-altering process that continues to this day. Whether contemplating an apple for an hour before tasting it (attentiveness), eating on \$2.00 a day (simplicity) or writing simple letters of thanks (gratitude), Michael discovered a whole new depth through the intentional life. Stirred on by the guiding voice of Father Solomon, a local monk, Yankoski s life is slowly transformed. Both entertaining and heart-wrenching, Yankoski s story will resonate with those who wish to deepen their own committed faith.

Reviews

Thorough manual for publication fanatics. It is actually rally intriguing throug reading through period of time. Its been written in an remarkably simple way and is particularly only after i finished reading through this book in which actually transformed me, change the way i think.
