Createspace Independent Publishing Platform, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a wonderful book that helps to define the basic precepts of Christianity in a simple question and answer format. It speaks in plain, concise language about a subject that is normally not simple to address. The author grounds her beliefs in Bible text, but she also adds wonderfully illuminating examples from her own life that add extra weight to her convicted statements. The book stands as entertaining, enlightening, and even inspiring. - J.T. Akron, Ohio I was pleasantly surprised when I read this book. So many books on Christianity come across sounding didactic or fake, but this one sounds like it s written by someone who s been there and is truly trying to share her wisdom with others looking to find a deeper relationship with the Lord, rather than trying to sell a book. Whether you re a confused, new Christian, or just looking for some inspiration and guidance, this is a good book to read. - L.B. Dennison Ohio.
