

## A Class of Colors (Paperback)

By Dr Sara Galloway Lennon

Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When the bright yellow sun becomes bored with his daily view of the green and blue Earth, he strikes a deal with his old friend, the wind, to bring more colors for him to see. However, the wind warns the sun that every color s personality and behavior is different and can be difficult to deal with, stating the adage Pretty is as pretty does. This proves to be true. Together, the sun and water team up in order to shape and train the behaviors of the colors. They begin to play off the strength and weakness of each color to make a perfect compliment, thus creating a beautiful and grand rainbow. All this proves that no matter what our differences, a team working together that has the desire to change can make something wonderful.
