

## Our Savage: A Novel (Paperback)

By Matt Pavelich

Shoemaker Hoard, Div of Avalon Publishing Group Inc, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In 1865 a baby--too large a baby to pass through anyone's hips--is born to a couple at the crumbling edge of Europe where the horror of pending war is already in the air. By any measure too large, our hero can develop no patience for his determined, dinky fellows, and so from the Balkan backwater of his birth and his youth as a precocious highwayman, to intrigues at court in Vienna, the problem remains the same--he is by one means or another continually wearing out his welcome. In this bawdy first novel by Matt Pavelich, Danny Savage migrates to the New World in 1899, where he finally settles an empty, rough corner of Wyoming with his epic shrew of a wife, Stoja. In Savage's wake are spent empires, ruptured families, collateral lives that have touched and fallen away. Matt Pavelich has given us a giant's coat tails to ride upon, let us wear for a while his seven-league boots.
