

Table Manners: Liturgical Leadership for the Mission of the Church (Paperback)

By Simon Reynolds

SCM PRESS, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. There is a growing (if not urgent) need for those being trained for ordained (and lay) ministry to be provided with a more solid grounding in liturgical principles, and Simon Reynolds seeks to address this by demonstrating how good liturgical leadership can be the foundation from which all other theological, historical, pastoral and missiological issues arise. Table Manners attempts to avoid being a `party book and will consciously avoid issues of churchmanship (except in pointing to what is positive in the various Christian traditions). Rather, it is written from the conviction that (i) a proper understanding of the Eucharist, and a theologically-informed approach to celebrating it (even if this manifests itself in many different styles), should mean that worshippers can go to churches of an unfamiliar tradition and yet still be caught up in the action, because what is essential and enlarging about good liturgical celebration would be recognisable; and (ii) that the success of presidency also demands the liturgical education of the whole people of God, because until they know what to ask for, their expectations will remain constrained.

Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

-- **Kristy Dicki**

An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. Its been printed in an exceptionally easy way in fact it is simply following i finished reading this publication in which really modified me, modify the way i think.
