Kensington Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Jesse James Hollywood grew up in L.A.'s upscale West Hills with every imaginable privilege. By the age of 19, he owned a spacious house, a tricked-out car, a closet full of designer clothes. His lifestyle of drinking, partying and getting high was bankrolled by his chosen career: drug dealing. In 2000, Ben Markowitz, another teen from a good family, found himself with a dope tab he couldn't pay. A standoff between dealer and druggie exploded when Hollywood, along with William Skidmore and Jesse Ruggie, both 20, spotted Ben's brother, Nick, 15, walking near his parents' home. Witnesses saw the three men attack Nick, then shove him into a van and drive off. But assault and kidnapping were only the beginning. On the last night of Nick's life, he was taken to an isolated area outside Santa Barbara known as the Lizard's Mouth. There, he was shot to death and buried in a shallow grave. But the story was far from over. Because mastermind Jesse James, like his namesake, knew how to run and hide. With his handsome face at the top of the FBI's Most Wanted list, he lived in luxury until the long arm of the law reached out to pull him back home for justice.
