She remains a greatly respected figure for her spiritual writings, and for her political boldness to speak truth to power. This was exceptional for a woman in this period. The Dialogue speaks to the whole spiritual life of man and is presented in the form of a series of colloquies between the Eternal Father and the human soul (represented by Catherine herself). It is a mystical counterpart in prose to Dantes Divina Commedia. This edition is translated from the original Italian by Algar Thorold. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
