Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Universal Military Training No! Most school histories have emphasized above all else the causes, principal characters and results of wars. Every boy is animated by a spirit of adventure which is beckoned forth by the prospect of foreign struggle. That war offers a peculiar glamor even to the middle-aged is not to be denied. Afterwards, the individual recollections of a war's hazardous exploits and valorous conduct are fostered and exchanged. In consequence something akin to a fighting impulse to war besides being inherent has been cultivated in all of us. That is what is so deplorable and what made it easy for preparedness advocates and now for those in favor of universal military training to pose as the only true exponents of patriotism. Both these groups have urged the need of the utmost skill and co-ordination in the art of warfare (a fine art, but in the same breath they have declared as barbaric the practices of the most exhaustive students of warfare the world has ever known. Abstractly considered, a righteous war need recognize no law. The adoption of such a policy as a measure of national security. Vain as it is, must lend sanction to a similar policy on the part of some other nation whose motives for assailing our country are vividly pictured. Who will say that universal military training, in the last analysis, has been of beneficial service to Germany? Who will deny that Germany's sole justification was her envelopment by the allegedly hostile Latin and Slav? Who will say that America is not isolated against aggression - likely to be dangerous because it can be sudden? Still, without even the sole justification put...
