THE STUDENT THE ADVISOR

Xulon Press, United States, 2013. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.If God cannot be as personal to you as a friend, does He even matter? Many honest people would answer this question by naming experiences in which they have seen God do something for them. But imagine asking a little girl who has a dad that financially supports her but personally rejects her, do you know your dad? She would tell you that just because her dad has done something for her doesn't mean she actually knows him. Likewise, just because God has done something for you doesn't mean you actually know Him. The Student and the Advisor is an extended letter to a friend that reveals testimonies and principles on a journey to knowing God, not just acknowledging what He has done. Sitting on the table is Oswald Walker; founder and director of Profound Meditations, a movement of people fighting against spiritual indifference and moral decay. Website: Simone Marshall was born in the island of Barbados, but soon settled in Nashville, Tenn. With her journalism degree from Southern Adventist University, she is one step closer to fulfilling her dream of becoming a judge. In her free time she enjoys swinging a tennis racket around, working with ministries at her home church, and taking in the pages of an inspirational...
