Brand New Book ***** Print on Demand *****.The stream struck the commander with force enough to knock him down. But the bath was not suspended on that account, and it was continued till it had extinguished the fire of profanity. Christy made a sign, and the steam-pump ceased to work. The mate rushed to the assistance of the captain, put him on his feet, and was conducting him towards the companion, seeking a retreat in his cabin; but he was silent, perhaps from his inability to speak. Stop, Mr. Victor! called Christy to the mate. I cannot trust that man to remain on board of the Raven ; and at the same time he directed Mr. Baskirk to have him arrested and put in irons, if he was violent. But this gentleman is the commander of the steamer, interposed the mate. I don t care what he is; if he were a gentleman, as you call him, I would treat him like one; but he is a brute, and I shall treat him as such, replied Christy, as two of his men, attended by two more, laid hands on the dripping captain. You may send his clothes on board of this ship, Mr. Victor. Have him committed to the brig, Master-at-Arms.
