

50 Steps for 50 Year Old Job Seekers (Paperback)

By Andy Friedman

Networking Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Finally, a proven, easy system for job seekers over 50 to land a better job faster. Here are 50 simple, effective steps to help you turn unemployment into career advancement. Does your job search need a new direction? Does it seem every door is closed? Our unique 50 steps system will help you immediately. Older job seekers normally spend more time out of work and have more difficulty adapting to the new world of social media, social networking, e-resumes and interviewing. It's not unusual to be out of work for a year or more. Many older workers are afraid to leave dead-end jobs for fear of not finding anything better. The 50 Steps will help you: Land a better job more quickly. Identify and connect more effectively with those who will introduce you to the Hidden Job Market. Ace your interviews. Create resumes that get noticed. Stand out from the crowd. Network like a pro even if you are shy. I was where you are just last year. After 27 years of consistent employment, I was unemployed twice within one year. Each time I got more connected, more networked and...

Reviews

This is actually the finest ebook we have go through until now. It is written in straightforward words and phrases instead of difficult to understand. It's been designed in a remarkably straightforward way and is particularly just following I finished reading through this book by which basically changed me, change the way in my opinion.

-- **Gillian Wisoky**

This ebook is so gripping and exciting. It was written very flawlessly and valuable. I found out this publication from my i and dad suggested this ebook to understand.
