

Romosa: The Island of Eternal Youth

By Paul Stanley Michaelson

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What if you could stay young forever? This tantalizing possibility becomes reality for the inhabitants of Paul Michaelson s Romosa: The Island of Eternal Youth. Readers will enter a dazzling world full of old Hollywood movie stars, pilots, young scientists, and a mysterious elixir that the islanders can t stop drinking. Hamnet Andrews and Al Blake are friends and graduate students at the Harvard School of Molecular Biology. Together, they attend a conference in Maui that focuses on their primary field of study namely, the process of aging. While exploring a private beach during a rare moment of rest, the colleagues stumble across a letter in a bottle. It turns out to be a cry for help from a woman named Lona Lemonte, who begs the recipient to rescue her from a mysterious island called Romosa. The letter contains instructions, as well as two pieces of Lona s jewelry to fund the trip. Curious, the two men follow the letter s directions and soon arrive at the unknown island. There they meet Lona, the author of the letter...
