Walker. 1 Paperback(s), 2007. soft. Book Condition: New. Travel back to medieval England and join Geoffrey Chaucer's band of Canterbury pilgrims in this introduction to one of Britain's great literary treasuresone of Marcia Williams's puckish literary adaptations, illustrated with her abundantly detailed and hilarious cartoon panels for readers 7 to 12. The nine well-loved tales, told by a host of colorful charactersthe Knight, the Miller, the Reeve, the Wife of Bath, the Summoner, the Clerk, the Franklin, the Pardoner, and the Nun's Priestare brought to life through quotations from Chaucer and the characters' own commentary, while Williams provides running synopses to the stories. "Quotes in medieval English are featured in dialogue bubbles, while the stories themselves are told in clear modern prose with a poetic bent. For example, in 'The Wife of Bath's Tale,' the knight 'glimpsed a group of delightful damsels dancing in a glade.' As happens throughout the text, children are introduced to elevated vocabulary that captures the original intent of Chaucer's poetry, while elucidating the meaning of the unfamiliar words through the illustrations. Throughout, the juxtaposition of medieval and modern English adds to the comic feel. The watercolor-and-ink cartoon art displayed in a comic-book format is a perfect match for the raucous and sometimes-raw humor, with exaggerated facial expressions and purposely disproportionate body parts. For instance, in 'The Miller's Tale,' when Alison offers her bottom out the window for Absolon to kiss, it is a rather prominent derriere that meets his waiting lips, a fact that is sure to provoke loud guffaws from students. The essence of each tale is intact, allowing the audience to savor Chaucer's genius, with free use of words such as 'fart.'. A sure way to hook kids into reading classic literature."School Library Journal (starred review) 48.
