Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The main message of this book is: While preparing a child to EARN big in future, it is equally imperative to simultaneously prepare him/her for a sound SPENDING pattern to always engage in adulthood. This is because, on the long run it is the spending pattern a windfall or a new level of fortune happens to meet in a person that would largely determine whether the person will be able to control the success or it is the success that would control the person. Therefore the journey to Financial Intelligence must start as early as possible and must begin with the putting of a child's money in his/her bank account. This book can also be described like this: Robert T Kiyosaki, an American author in one of his books titled RICH DAD, POOR DAD used American eyes to see poverty and the very solution to escape from her traps. Light Folu Oluwale an African author is here using African eyes to also see poverty and also proffering his own anti-dote in this title: PUTTING CHILDREN MONEY IN CHILDREN BANKS. The book centers round the quality of parental inputs in all of the 18-year childhood, which is the foundational and formative years of a man's life and how the inputs can be improved upon significantly. The two tables at the back cover of the book briefly summarized the entire contents and the objective of the book. The first table above shows financial activities should commence as soon as a child is born and the activity should increase and multiply with a child increase in age. The second table reflects the general trend presently of most children worldwide...
