Book Condition: New. Publisher/Verlag: Penguin UK | A Jack Ryan Novel | Jack Ryan, der amerikanische Präsident, ist beunruhigt. Die ganze Welt scheint verrückt zu spielen: Revolutionen in Afrika, Unruhen in Russland und China. Jack Ryan muss handeln: Er schickt seinen besten Mann, den kampferprobten John Clark, der die Dinge vor Ort regeln soll. | A truly brilliant thriller by Tom Clancy, The Bear and the Dragon is a Jack Ryan novel. Newly elected in his own right, Jack Ryan has found that being President has gotten no easier: domestic pitfalls await him at every turn; the Asian economy is going down the tubes; and now, in Moscow, someone may have tried to take out the chairman of the SVR - the former KGB - with a rocket-propelled grenade. Things are unstable enough in Russia without high-level assassination, but even more disturbing may be the identities of the potential assassins. Were they political enemies, the Russian Mafia, disaffected former KGB? Or, Ryan wonders, is something far more dangerous at work here? Ryan is right to wonder. For even while Russian investigators pursue the case, and some of his most trusted eyes and ears, including antiterrorism specialist John Clark, head to Moscow, forces in China are moving forward with a plan of truly audacious proportions. Tired of what they view as the presumption of the West, eager to fulfill their destiny, they are taking matters into their own hands. If they succeed, the world as we know it will never look the same. If they fail .the consequences may be unspeakable. The Bear and the Dragon is Tom Clancy at his best - and there is none better. This is the third Jack Ryan thriller, following Without Remorse and Rainbow Six. Praise for Tom Clancy: "A brilliantly constructed thriller". (Daily Mail)...
