

Sassafras Cats of Izumba

By John Crissman

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 211 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.The people of Izumba didn't know what to do about the Rat Pack's invasion. They only knew the stories of rats from their grandparents - - stories of how the Sassafras Cats chased the rats to the neighboring country of Yogastan. Now the returned rats ruined people's picnics, took kids lunches and broke into people's refrigerators for midnight snacks. They even watched the food network on the people's TVs! Children and parents will giggle when they read this story. The children will learn an important message that even grumpy people can become nice! A glossary is included to help the children learn new words. A portion of the proceeds will go to the charities Forgotten Harvest and Reach out and Read. John D. Crissman lives in Birmingham, Michigan. John is a single father of Johnny, a fun nine-year-old. At his son's suggestion John has started using his love of community service and creative writing to author children's books and help the community. The Sassafras Cats of Izumba is...

The best book I at any time read. I am quite late in starting reading this one, but better than never. I realized this publication from my dad and I advised this book to understand.
