Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The two stories in this book are written for older children and are not suitable for little kids. They are about the lives of wild animals and of course, fighting, hunting, and killing are part of such creatures lives. They are moral stories about the value of friendship, co-operation, honesty, and trust, and about the rewards that come to those who have these qualities and the less pleasant things that come to those who don t. I hope (you and) your children will enjoy them.
