Reviews

*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

In a society of social media, texting, and ever-evolving technology, it s easy to forget how to engage in real, face-to-face communication, a critical skill for your future success! As you become more connected to your smartphone and the internet, your ability to connect in person may diminish. But technology doesn t replace the need for effective communication skills. In fact, successful personal and professional relationships are dependent upon connecting with people face-to-face. Communication Skills provides the guidance you need to become a better communicator and succeed in all areas of life. You ll also learn tons of essential life skills, including active listening, assertiveness, clarifying language, the art of an apology, compassion, interviewing skills, family communication, and more. By following the practical, skills-based tips in each chapter of this book, you ll learn powerful communication techniques to last a lifetime.
