## Hot Rod Wiring: A Detailed How-to Guide

By Dennis Overholser

Wolfgang Publications, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. The one job that even the most knowledgeable DIY guys farm out is the wiring. No more. Today you can pick the best components, the appropriate harness kit, and install everything yourself - with help from this book from Wolfgang Publications. Whether yours is an old skool 32 Ford with a flathead for power, or a modern kustom with fuel injected V-8 and a set of airbags, the information you need to wire that hot rod can be found in Hot Rod Wiring from Wolfgang Publications. Like everything automotive, the electrical components used on modern hot rods have changed over the years. The stereo systems draw more power, and the number of accessories goes up and up. Alternator output is easily three times what it was just a few years ago. Hot Rod Wiring reflects these changes, and helps the reader determine how to pick the best components and design the best electrical system. Dennis Overholser has designed hot rod wiring harnesses and components for Painless Wiring for over 20 years. After putting in eight hours a day designing components, Dennis...

### Reviews

*This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.*

-- **Mr. Enrico Lesch**

*This publication might be well worth a read through, and much better than other. It is amongst the most incredible book i actually have read through. I am delighted to tell you that here is the finest book i actually have read through inside my own life and could be he best ebook for possibly.*
