The War of 1812 ended, and the border status with Canada grew somewhat more settled. Turning its efforts toward the taming of an unwelcoming West, the young country faced new and less well-understood enemies. These included a vast array of indigenous Native American tribes, a general lawlessness roaming free from an absence of social protections, and Mexico s historical claims on a large swath of the westernmost portions of the continent. The contested ownership of Texas produced hostility over the following decades in what is now the 28th American state. The threat of relocating the border with Mexico far to the south at the Rio Grande River was seen as an American land grab of enormous proportions. The Comanche and other large tribes of the region, forced out by farmed acreage and barbed wire fence, viewed the onslaught of American settlement in much the same way. Within these cultural and legal collisions, an outlaw culture took advantage of the structural void. The creation of the Texas Rangers as a response to Indian retaliations and renegade assaults on the banking and transportation systems was born of a need to react quickly. Special skills were required, and unlike the military, resourcefulness and improvisatory thinking were prized alongside obedience to orders. Author Mike Cox described the ideal Texas Ranger as one who is able to handle any situation without definite instruction from his commanding officer. It is this resourcefulness, a colorful and non-conformist personality, and a sense of vigilantism...
