## A Bull in China: Investing Profitably in the World's Greatest Market

By Jim Rogers

Tantor Media, Inc, United States, 2007. CD-Audio. Book Condition: New. Unabridged. 190 x 135 mm. Language: English . Brand New. If the twentieth century was the American century, then the twenty-first century belongs to China. Now the one and only Jim Rogers shows how any investor can get in on the ground floor of the greatest economic boom since England's Industrial Revolution. In this indispensable new book, Rogers, one of the world's most successful investors, brings his unerring investment acumen to bear on this huge and unruly land now being opened to the world and exploding in potential. Rogers didn't just wake up a Sinophile yesterday. He has been tracking the Chinese economy since he first went to China in 1984 in preparation for his round-the-world motorcycle trip and then again when he saw Shanghai's newly reopened stock exchange. In the decades that followed especially in recent years, with the easing of Communist Party financial dictates the facts speak for themselves: The Chinese economy's growth rate has averaged 9 percent since the start of the 1980s. China's savings rate is over 35 percent (in America, it's 2 percent). Forty percent of China's output...
